

LIVING LIKE ROBINSON CRUSOE

Canoeing adventures in northeastern Skåne

The biggest and most beautiful lake in Skåne, Ivösjön, as well as the river Holjeån offer fantastic canoeing experiences in beautiful surroundings. Here you have plenty of possibilities to leave your everyday life behind – in exchange for a true wilderness adventure that suits couples, families and friends. Only a few hours away from the bustling city life of Copenhagen and Malmö you can sit down by your own campfire and enjoy the silence as well as the beautiful views of lake Ivösjön.

Wetlandi Centre in northeastern Skåne is situated close to the many islands of the lake as well as the starting point for tours at Holjeån. Here you have access to lavatories, clean water, barbecue sites and parking facilities. You can travel all the way by public transport. The bus stop is just outside of Wetlandi Centre. You even find trails for hiking and biking in the area. Ask at the reception for maps and trail descriptions.

Your Robinson Crusoe adventure starts off at Wetlandi in Axeltorp. Here, our staff will meet up and introduce you to the equipment and maps. When you are ready, we will get you to the starting point at Holjeån.

The nature around the river is almost totally untouched, which gives you a tropical experience. Time seems to stand still here. There are no rapids and you do not need to carry the canoe on foot – just relax and enjoy the trip. After a couple of hours you reach the lake with exciting islands to explore. There are plenty of possibilities for sunbathing, swimming, having a picnic and camping. You will find areas with tables, benches and barbecue sites where you can prepare your own food and enjoy a cozy campfire in the evening when the region's history with its myths and legends seems to get alive again.

Lake Ivösjön is also home to a rich birdlife and the number of fish species inhabiting the lake is among the highest in Sweden. Why not try to catch your own dinner?
